SQUABBLES GO ON

The Wilmington Crusader

VOL. 21 NO. 35 WILMINGTON, MASS. - WEDNESDAY, AUGUST 27, 1958 PRICE 10c

Retreating behind closed doors last evening, three members of the board of Selectmen and three members of the Wilmington Housing Authority met and discussed "Policy." The selectmen cancelled a scheduled meeting with the Planning Board to be available.

While each board credited the other, it was apparent that long rumored squabbles among the housing members could no longer be ignored due to newspaper stories last week.

Chairman of the Housing Board William Smith termed two separate reports garbled and said he was only asked four questions. Other remarks credited to him, he said, were reported by other authority members.

The recent argument among board members has arisen over the tendered resignation of Robert Michaelson, who has been serving as consultant for the housing for the elderly program, on Burlington Ave., and who was appointed director of the Urban Renewal Project for Wilmington Center. Board members report that Mr. Michaelson's request for current salaries brought on the latest squall in the Authority.

The three selectmen present Chairman Frank Hagerty, Donald Kidder and Charles Black left the meeting shortly after 10, Mr. Black calling it a wasted evening. Mr. Hagerty blamed the trouble on "personality clashes," and said the authority was doing a good job as evidenced by the progress on Burlington Ave. However, Mr. Hagerty said that a member who has not been to a meeting since April will be replaced legally.

A short while after the selectmen left, housing member Allan Fenton hurried from the hall, saying that he had made a motion which was not accepted, and declaring "I Quit."

Chairman Smith put in a hurried call to absent member Ernest Rice to make a quorum so that other business could be voted. He said no action would be taken on Mr. Michaelson's resignation until all four members were present.

DEADLINE FOR WARRANT ARTICLES SEPTEMBER 2

Articles for the warrant for the special town meeting, to be held Sept. 15, must be in the hands of the selectmen by 9 am. Tue., Sept. 2. The usual deadline would be Sept. 1, 5 pm. but due to Labor Day, the early morning deadline has been set.

School Milk Contract Awarded

Weiss Farm of Stoneham received the contract for supplying milk to Wilmington schols at the Aug. 20 meeting of the school committee. The dairy was low bidder with .0545 a half pint.

NEXT YEAR, NOTIFY POLICE WHEN YOU LEAVE ON VACATION

Last week, three seperate events took place, which have prompted police to request that citizens notify them when they leave for vacation so that their homes may kept under surveillance. Families who leave town without notifying the police are inviting trouble.

On Aug. 20, at 12:15 pm Mr. Kirby of 215 Wildwood St., reported to police that his home had been burglarized. Entrance had been gained through a cellar door.

Nearly one hundred dollars was taken from the residence, part of which was in an envelope, marked for the Methodist Church Building Crusade.

The Kirby's were away from home at the time the burglary took place.

On Aug. 23, Fred Horton of Glen Rd., reported to police that his home had been entered while he and his family were away on vacation.

Mr. Horton's family was slightly more fortunate in that they had left only a bank containing less than $5 for the thieves to spirit away.

The culprits really struck "pay dirt" when they stole into the home of Louis Maglio of Glendale Circle. The Maglio family was also away on vacation. Their loss amounted to $2,250 and three $25 war bonds.

The burglars found $1600 in cash in a closet, a man's diamond ring valued at $450, a diamond stick pin valued at $150 and three $25 war bonds.

Officer Charles Ellsworth is investigating the burglaries.

NEW METHODIST CHURCH OPEN HOUSE, SUNDAY AFTERNOON

The New Methodist Church building will be open to the public for general inspection on Sunday afternoon, August 31 beginning at 3 p.m. and continuing through 9 p.m. The Conservative Contemporary building was designed by Dr. Arland A. Dirlam, architect of Boston and constructed by Custance Brothers of Lexington. The building committee of the local church, under the chairmanship of William F. Butt have given hours of time to carrying out the plans adopted by the members of the church.

The dream for the new edifice goes back many years. The first financial program was held in 1954, the second in 1957, with the funds received from these two efforts and the excellent assistance of the other Methodist Churches in the area and the National Board of Missions of the Methodist Church, construction began in June of 1957.

The first service of worship will be held in the new building on Sunday, September 7 at 10 a.m. The Rev. Richard E. Harding has said, "Now that we have the facilities to better serve the community, let us truly exemplify the Christian spirit and open our doors wide to all persons regardless of race, creed or color. Our real work has just begun, and the test of our devotion in building a new church is now in building new lives for ourselves and others whether in our own community or to the far corners of the earth."

The members of the church extend a cordial invitation to all the people of Wilmington and surrounding communities to visit the new church next Sunday afternoon and evening.

TO THE MEMBERS OF THE WILMINGTON COMMUNITY FUND, INC.

On Thursday evening, August 28, 1958, at 8 p.m., in the High School building, the members of the Wilmington Community Fund will be asked to vote on a proposal that is of the utmost importance not only to the members of the corporation, but will also possibly affect the people of Wilmington as a whole.

Consistent with the By-Laws of the corporation, this meeting has been called only after a favorable vote of the Board of Directors relative to the proposal. The specific issue to be voted pertains to the association of the Wilmington Community Fund with the United Fund of Greater Lowell, subject to certain conditions agreed upon by the Board of Directors.

In answer to the question, what constitutes membership in the corporation, the simple answer is that if you contributed to the annual Fund Drive last fall, your contribution made you an automatic member, and you are therefore elegible to be present and to vote at this forthcoming special meeting.

In the brief space available, it is impossible to attempt to discuss, with any semblence of effectiveness, the many facets of this proposal. It is, however, the desire and goal of the Officers and Directors of the corporation to present at this special meeting, a clear, concise, and explanatory picture of the background leading to this proposal to associate and to offer to the members present a proposed plan of association which should materially aid them in their deliberations. I do wish to stress that the term **association**, under no circumstances means dissolution of the Wilmington Community Fund, nor does it constitute a merger with the United Fund, which in effect, dissolves the corporation.

The Officers and Directors are justly proud of the achievements of the Community Fund and its close relationship with the everyday life of the town. We have all resolved that the corporation will continue to thrive and operate in accordance with its purpose as set forth in its charter. The writers of the By-Laws felt that the question of association was of such importance that it should require a vote of the members present at a meeting. Respect that judgement and come out and vote.

PLAN TO LOCK TOWN HALL PHONES FIZZLES

A recommendation from Town Manager Alfred Calabrese to lock town hall telephones after business hours, except on nights when the board of selectmen meets, was opposed by the selectmen Mon. evening.

The recommendation came as a result of a study of the cause of high phone bills from town hall numbers. Directives from the TM to all town hall personnel to report all toll calls to purchasing clerk Madge LaRivee resulted in only half the calls being reported.

Chairman Frank Hagerty flatly refused to attend any meetings at the Town Hall if no phone service was available. Declaring that his family meant too much to him for him to be tied up where he could not be reached in case of emergency, he said some other solution would have to be found if he was expected to appear at hearings.

Other members of the board expressed doubts about the advisability of having no phone service when town business was being conducted by volunteer boards as well as regular town hall help.

Various suggestions were discussed by no solution reached. Mr. Calabrese was instructed to come up with another suggestion.

Fire Chief Returns To Work

Fire Chief Arthur Boudreau returned to his duties on Monday following a most enjoyable three weeks vacation.

During his vacation, Chief Boudreau visited Delaware, Pennsylvania and New Jersey. He was accompanied on his tour by his wife, Gertrude and his son and daughter, Arlene and Arthur, Jr.

WILMINGTON ADULT EVENING SCHOOL 1958-59

The courses are open to all adult citizens of Wilmington and surrounding communities. Classes for the school year 1958-1959 will register in the High School Cafeteria on Mon., Sept., 22 and Tue., Sept. 23 from 7 to 9 pm.

Classes meet one or two evenings each week for twenty weeks except Cake Decorating. The program for Cake Decorating is completed in five meetings. Classes do not meet on school holidays, during school vacations, or during the days when day school may be closed due to inclement weather.

The registration fee of $1 will be collected when the classes start. Each student shall provide his own materials but necessary heavy equipment such as sewing machines, grinding and brazing equipment and other similar equipment shall be provided by the school.

Enrollments will be accepted in each class until its quota is filled. Others who wish to register may place their name on a waiting list and they will be notified when a vacancy occurs.

The following is a list of classes to be made available this year and the possible evenings of instruction:

Tue., or Thurs. — Beginners' Clothing, Advanced Clothing, Tailoring, and Jewelry Making.

Tue., and Thurs. — Beginners' Typewriting, Advanced Typewriting, Beginners' Shorthand, Advanced Shorthand, Practical Mathematics, Beginning Bookkeeping, and Cake Decorating.

Tue. — Foods, Fabric Painting, Knitting, Driver Education, Americanization, and Public Speaking.

Thurs. — Rug Hooking, Rug Braiding, Decorated Ware, Furniture Refinishing, Woodworking, Upholstery, Slip Covers.

The above courses are considered to be the most popular. Mr. Anthony DeLuca, Director of the Evening School, will accept any suggestions relative to adding any new courses. As soon as the suggestions are received, Mr. DeLuca will publicize them and at the same time, he will request a reply from those who may be interested. If the number of replies are numerous enough, action will be taken to make the course or courses available.

The following courses have been mentioned in the past, but the repeated requests have been few in number:

Leathercraft, Blueprint Reading and Drafting, Correct Use of English, Photography, Civil Service Preparation, French, and Parliamentary Procedure.

If anyone is interested in any of the above or in any course not listed above, send a postal card to: Mr. Anthony DeLuca, Federal St., North Wilmington, Mass., as soon as possible. Please be sure to place the following information on the postal sard: Name, address, Telephone number, and the title of the course you would like to see started.

Closing Service Of Worship In Present Methodist Church

The closing service of worship will be held in the sanctuary that has been a place of worship for the people of Wilmington for nearly seventy-five years. The service will be held at 10 a.m. on Sunday, August 31. The Rev. Richard E. Harding will preach on the topic: "Have Faith in God". This was the topic of the first Methodist sermon ever preached in Wilmington, seventy-five years ago. Mr. Harding will share with the worshippers some of the thoughts ministers would have presented to a congregation at that time, and relate this theme to the day in which we now live.

Many persons in the community will want to share in this service of worship. Those persons who are not able to get to church because of transportation or other reasons but would like to attend this service will be driven to church by the men of the parish. If they will kindly call Mr. Harding and he will make the necessary arrangements for them.

MADDEN SUPPORTED BY SEN. POWERS FOR DEM. NOMINATION FOR STATE SENATOR IN 7TH MDSX. DIST.

WILLIAM C. MADDEN AND FAMILY

At an organization meeting in support of the candidacy of attorney William C. Madden of Lexington for State Senator, held Monday, Aug. 18 at the Lexington Inn more than 100 enthusiastic supporters of the well known lawyer heard State Senator John E. Powers, democratic party leader in the Massachusetts Senate warmly endorse Madden.

Referring to the duty of all citizens to support "decent, well qualified candidates for public office" Powers praised Madden's record as counsel to the Mass. Legislative Health and Welfare Commission which has been investigating union-management activities in this field for the past three years. Describing his action in endorsing Atty. Madden as "unprecedented" Senator Powers stated he felt more than justified by the candidate's high character, educational background and outstanding record of service to his community, state and nation.

Madden is a graduate of St. Peter's School, Cambridge High and Latin School Boston College and Boston College Law School. While at the law schol, he won the William Cardinal O'Connell award. He is a Lieutenant in the USNR and participated in five major of the Pacific War aboard the aircraft carrier USS Kalinin Bay. He has served as an attorney for the US Office of Price Stabilization. He is a former member and chairman of the appropriation committee of the Town of Lexington.

Wilmington Town Democratic Committee News

Wilmington Town Democratic Committee News

Well, folks, the big day is over and I for one am glad. The huge throng that attended is testimony enough as to the success of the cook-out and the littered field on Monday morning left nothing to imagination.

Mary Cunningham, in charge of serving, felt that she took care of at least 1200 persons, the boys who worked on the pits thought more along 2400. For myself, that line seemed endless and everyone who worked there was very, very happy to see the last person get his lobster.

Special thanks to Al Lynch for working over the hot stoves and for the very special way he handled the coffee situation. I still think he used his T shirt. Much enthusiasm was shown by the fact that non-committee members pitched in and worked for hours to feed the people. John Ruggiero was there, along with the one and only Fred F. Cain, who worked as much as he enjoyed himself. After buying all his tickets, he also gave his two trucks for our use. Hal Foley of the Shamrock Drive-in came down as a guest and ended serving, too.

Ed Curtis was in charge of the entertainment schedule which proved so popular, both to the adults and children.

The greased pole contest provided no end of amusement, especially when young Jim Cain almost made the top, only to slide back down with a solid thump.

The highlight of the program was awarding of the door prizes which were won by: Richard B. Wood, 1st - a power mower, Jerry Mutchler, 2nd - sewing machine, Peg Taylor of Cambridge, 3rd - a bicycle and Frank Telbeau, 4th - a bicycle. Jerry Mutchler who won second prize was so excited that she kept holding on to me for support and I must say that I didn't mind at all.

Frank Hagerty served at the feed line and expressed wonderment at the large gathering of children.

Both Governor Furcolo and Senator Kennedy sent telegrams expressing their regrets that they were unable to attend and wishing the affair a success.

Chub Peabody gave a strong talk on his campaign for Attorney General.

Jim O'Dea made an appearance, along with Andy Trodden, both seeking nomination for District Attorney, Harold McKelvey, our own candidate for Clerk of Courts, Eddie Sullivan of Cambridge, seeking the same office, William Madden, Candidate for Senator, our own Thomas Donohue, State Representative. Ray Crimmins, Mayor Shaughnessey of Woburn, seeking nomination for State Treasurer, and many more. Each candidate was allowed to introduce himself to the gathering which was a veritable politicians paradise.

My thanks to Ted Cantrell, Eddie McLaughlin, Al Lynch, Mary Cunningham, Red Eaton, Frank Hagerty, Ernie Crispo, Phyllis O'Leary, Harold McElvey, Bill Rogers, Ed Curtis and other committee members, Fred Lloyd, Fay Cantrell and her mother, Walter Cunningham, John Ruggerio, Joe Guarino and The Nap, Fred F. Cain, Harold Foley and other non-committee members who chipped in and worked.

The second annual Democratic Family Outing will be held at Green Acres, Elm Street, Saxonville (Framingham) 1:00 p.m. - Saturday, August 30, 1958. Servings will be continuous, food and beverages, and tickets are only 99 cents. Anyone wishing to obtain tickets for this outing may do so by calling Jim's Variety OL 8-8393.

There will be a meeting of the Committee Tuesday evening, 8 p.m., at the home of Mrs. Kelley on Shawsheen Avenue. All members are expected to attend and get the final report on the cook-out.

Rotary Club To Welcome District Governor

The Rotary Club of Wilmington, Wed., Aug. 27, at 12:15 will be host to Henry Kozlowski, governor of the 793rd district of Rotary International, who is making his annual visit to each of the 35 Rotary Clubs in Eastern Mass. He will address the local club and confer with President Henry L. Foster and Sec. Stanley Cummings and committee chairman on Rotary administration and service activities.

Mr. Kozlowski is Treasurer of Jackson & Phillips, Inc., a printing concern and is a member and past president of the Rotary Club of Lynn. He is a national councilor of the US Chamber of Commerce, council chairman of the Mass. Committee Against Discrimination, and a director of the Lynn Chamber of Commerce, the Lincoln Co-Operative Bank, the Lynn Young Man's Christian Asso., and the Greater Lynn chapter of the American Red Cross. He is a member of the Lynn Industrial Development Committee and he has been president of the Community Chest of Greater Lynn, Camp Rotary, and of the Lynn Advertising Club.

He was elected as a district governor of Rotary International for the 1958-59 fiscal year at Rotary's 49th annual convention in Dallas, Texas, USA, last June. He is one of 258 district governors supervising the activities of more than 9,800 Rotary clubs which have a membership of 462,500 business and professional executives in 110 countries and geographical regions throughout the world.

Wherever Rotary clubs are located, President Foster and Sec. Cummings asserted in discussing the governor's visit, their activities are similar to those of the Rotary Club of Wilmington because they are based on the same general objectives—developing better understanding and fellowship among business and professional men, promoting community-betterment undertaking, raising the standards of business and professions, and fostering the advancement of good will, understanding and peace among all the peoples of the world.

Each year, this world-wide service organization continues to grow in numbers and in strength, Pres. Foster added. During the past fiscal year, 350 new Rotary clubs were organized in 51 countries "and geographical regions, bringing the total number of Rotary clubs to an all-time high of nearly 10,000, and eight countries were added to Rotary's roster —British Honduras, Eritea, French Guiana, Laos, Martinique, Papua, Virgin Islands and the West Indies Federation."

Gardens Raided

Police have issued a warning requesting citizens to be even more diligently on the look-out for vandals who seem to have their eyes on local gardens.

During the past few weeks, in various sections of town, complaints have come in to the police station regarding malicious damage to vegetable gardens.

Police feel that with the end of summer vacation near, many youngsters turn vandals for lack of anything better to do. When they are caught, they will be prosecuted for their acts.

In the meantime, police ask the cooperation of property owners, keep your eyes and ears open as much as possible.

The parking problem has spawned a multibillion-dollar business, says Newsweek. Last year alone, investors spent $4,750,000,000 on parking garages of various kinds.

Little Annie Rooney Passes Away

When attending a picnic, outing or just going for a bus ride with a group, songs are sung by young and old.

Among these songs are, "Strawberry Blonde," "Bicycle Built For Two," and "Old Mill Stream." But most of all, they never forget to sing "Little Annie Rooney."

"Little Annie Rooney" passed away on Sat., Aug. 16, at her home in New Bedford, where she lived for many years.

The girl the song was written for was Mrs. Annie G. (Rooney) Erickson, 73 years old.

She was born in Oldham, England, and was a young child when her mother's cousin Michael Nolan wrote her song.

A few months later her father brought his family to the United States. He was a tenor with the original Gilbert and Sullivan Co.

Few of us knew "Little Annie Rooney," but her memory will live through the years as each generation hums her song.

Also sharing the honors are the grandparents, Mr. and Mrs. LeRoy Bedell of our town, and Mr. and Mrs. Leo Poirier of Lowell.

Chapter 106 will hold a cook-out Sunday, Aug. 31 at 7 p.m. at the grounds on Grove Ave. Chapter and Auxiliary members are urged to attend and bring their guests. There will be no admission charges and open house will prevail at the quarters. We hope to see a large turnout for this first social of the new season.

Plans are being formulated for the presentation of a musical revue at the Bedford Hospital under the auspices of Chapter 106 on Wednesday evening, Sept. 10. We hope that all the membership will attend the next meeting of the chapter on Wednesday, Sept. 3, so that we can formally adopt these plans and put over what should be a grand night for the boys over at Bedford. The Commander of the Auxiliary, Rose Gatta, has assured us the complete cooperation of the auxiliary on this affair.

Jim Simpson, Mr. and Mrs. Gatta, and Mary Starr attended the chicken barbecue and block dance held by the Woburn Chapter on last Sat. eve. They report that they had a grand time and were treated handsomely.

Plans for the annual Forget-me-Not drive will be discussed at the next regular meeting on Sept. 3, so we urge all to be present so that we may prepare for the most successful drive ever. This is one of our most important projects of the year and complete cooperation of everyone is essential to its success. We must stimulate our hospital activity, and this drive is the most important effort in that direction that we have at our command.

THE FIZZLE FAMILY

By H. T. ELMO

MA PUNCHES A TIME-CLOCK

By Bob Senser, Editor of WORK

HAVE YOU ever heard of "door key kids"? A leaflet of the New York Board of Education describes them: "Door key kids leave home in the morning with the door key hung around their necks on a string. After school they let themselves into empty apartments."

The string and key around the neck form the symbol of the young student whose mother works. In some neighborhoods there are so many "door-key kids" that schools have extended their classes till five to keep them out of mischief.

THIS is just one of the symptoms of the most revolutionary change in woman's status. The hand that rocks the cradle often punches a typewriter a year or two later. In the past, social reformers almost unanimously rose in protest against social conditions that compelled mothers to leave their infants in favor of a job. According to a modern school of thought, however, it is good for the family to have mother trot off to a factory or office, even where there is no economic necessity.

I have heard some women leaders express their feelings somewhat like this: "Since the husband has a choice of jobs, why can't the wife? She may want to make the home and children a full-time career, but the choice is up to her."

OF COURSE, the husband has a choice of jobs. But that's not the point. Does he have the choice about whether he will be a breadwinner? Imagine the oaf who would dare tell his wife he did.

The fact that the wife has a special role in the family, different from the husband's, is too often overlooked. You might say that as the father is the head of the family, so the mother is the heart. Together they form a unit working toward a common goal—heaven. But the mother's role is not in the office or factory.

THE WOMAN who "tries to span two worlds" (of the home and job) is unfair to her children, argues Dr. Leo Bartemeier, medical director of Seton Institute in Baltimore. He points out that while many a mother works for luxuries, she deprives her children of the greatest "luxury" they can have—her attention. She must give her attention not only to feeding and clothing her family but also to the spiritual and moral training of her children. The home and good example are the first schools of religious training.

There are, of course, some cases where the mother must work. With God's help a woman may successfully combine the roles of wife, mother, and breadwinner. But such cases are rare, and the Christian ideal is still the home in which mother doesn't have to punch a time-clock.

4-H'ers STRIVE TO BE GOOD CITIZENS AND ABLE SPEAKER

Chicago (Special) — Good citizenship in all 4-H Club work, while just about every project or activity requires a certain amount of talking and demonstrating before club members and other groups. Many 4-H'ers also are invited to appear on local radio and TV programs.

To encourage personal development in these two activities, the Cooperative Extension Service directs the 4-H Citizenship and Public Speaking programs. In many states, urban as well as rural boys and girls between the ages of 10 and 21 participate.

Club members submit their record books in competition for state and national awards. Certificates of honor will go to the top boy and girl in the state who will then be eligible for the two national awards. For these champions there are $400 college scholarships plus expense-paid trips to the National 4-H Club Congress in Chicago.

Donor of the public speaking awards is the Pure Oil Co. Awards in the citizenship program are given in honor of Thos. E. Wilson, a pioneer in aid to 4-H youth. Both programs are arranged by the National Committee on Boys and Girls Club Work.

★★ FASHION: U.S.A. ★★

by Mary Lewis

Photo by Sears, Roebuck and Co.

EVERYBODY LOOKS SO DIFFERENT THIS SUMMER! Haven't you noticed? They can't possibly be wearing last Summer's clothes for this year's "look" bears almost no resemblance to last year's. There's been a real Fashion Revolution, and most of the feminine population is finding a big stimulus in the change! With the advent of warm weather coats have gone into hiding and the 1958 Lady of Fashion has emerged. She looks different, all right! Here are the things about her that will capture your attention and approval — 1. She looks so much YOUNGER. That's what SHORT SKIRTS and the CAREFREE AIR of the new clothes are doing for her. 2. She looks so COOL AND COMFORTABLE. That's because the new clothes emphasize EASE. Her waistline is no longer restricted. 3. You notice what PRETTY LEGS she has. Short skirts are putting them on view again, and new sheerness, new tints in hosiery, are glamorizing them. Usually, this time of year, she chooses cotton — perhaps checked or flowered, as in our picture. Always she looks and feels like "a new woman!"

Rotary News

The weekly meeting of the Rotary Club, was held at the Masonic Hall with president Henry Foster in charge.

After the usual opening the president called upon Rev. Dick Harding to offer the invocation. After the luncheon the following visiting Rotarians were introduced by Fred D. Cain: from Winchester, James Chisholm, Larry Dallin, and Chubb Howe; from No. Reading: J. Turner Hood, Jr., Ted Crosby, from Burlington: Larry Hayward, from Woburn: Jim Creenan, and from Danvers: Les Friend.

George L. Cardillo was a guest of F. D. Cain. Al Osterman introduced Richard Thomas, and Alfred Calabrese, Dick Harding introduced Frank Leavitt, and John Elia, introduced Ralph Chiricosta.

Frank Leavitt spoke to the club in regards to a meeting of the board of directors of the Community fund which was held recently. The matter of Wilmington joining the greater Lowell fund was discussed, and he stated that the board of directors is going to recommend that Wilmington join in with the Lowell group. He stated the many advantages of joining, and was supported in his thinking by Superintendent of Schools John Collins, who has occasion to use some of the facilities that the Lowell group have to offer.

At a meeting of the Rotary board of directors, it was voted to hold a horse show on Sept. 27. This is to be a gala event, with a band led parade in the planning.

A letter from Pat Ring, Welfare agent was read, thanking the club for making it possible for 6 boys to be sent to the 4-H club camp at Ashby, Mass. Joe Babbitt is head of the committee responsible for sending these boys to camp, and it is planned that the club make this an annual function.

Three Teachers Appointed

Three new teachers were appointed at the Aug. 20 meeting of the school committee.

Richard Pacino a graduate of Boston College will teach economics in the high school. Also added to the high school faculty is Miss Marie Barbagallo who is also a Boston College graduate. She will teach mathematics.

A new elementary teacher is Miss Joan Bushold, graduate of Lowell State Teachers College.

Two 35 Lap Trophy Races At Peabody

This Saturday night fans will be sure a good races as the boys try for first spot so as to win a real nice trophy. Both Stock Cars and Bombers will run a 35 Lap Feature Trophy Race. The Spectator Race should also be one filled with plenty of thrills and excitement, as they fight for top spot in order to win the $25.00 prize. Each Sat., there is a large field of cars and plenty of action. The usual card of races will also be held.

Last Sat. night a capacity crowd witnessed an action packed card of racing. Plus the big bang up Demolition Derby and a fun-filled Powder Puff Derby.

Cake And Food Sale

Mrs. Patrick Aspell will hold a cake and food sale in front of Tattersall's Store, next Saturday at 11 am in aid of St. Dorothy's Parish Building Fund.

Donations of all kinds of food will be much appreciated and will be called for if you let her know by telephone.

ST. THOMAS' NEWS

Masses are once again held at 7, 8, 9, 10, 11 and 12 on Sun., and 7 and 7:30 on weekdays. We ask those using the church parking lot in the rear to cooperate with the man in charge.

The Pilot and the Catholic Digest are ideal for summer reading. In the latter the article Happy Marriages Guaranteed, is worth reading.

Gratitude is expressed for last Sunday's offering of $667 for the building fund.

Coming: Tue., Sept. 9, another series of Pre-Cana Conferences for engaged couples starts at St. Michael's Hall in No. Andover.

On Sun., Sept. 14, our parish mission starts. Father McCabe and Father Redden of the Oblate Order will preach it.

Banns are called for the first time for George Clements and Geraldine Hogan and for Louis R. Giorolani and Mary A. St. Hilaire; for the second time for Lawrence J. Antonellis and Lillian R. Cuoco.

Prayers are asked for Father Kelley who is a patient at St. Elizabeth's Hospital in Brighton and Mrs. George Hathaway who is critically ill at the Naval Hosp. in Chelsea.

Prayers are also asked for the success of the mission.

ACCELERATED AND ENRICHED PROGRAM FOR ACADEMICAAL TALENTED STUDENTS

Q. What is the program?

A. Briefly, we hope to accelerate the regular program of studies in grades 5-8 so that by the end of the 8th grade, most pupils will have covered the work normally taken during grades 5 through 9. At the high school level, the work will be accelerated so that most of the work normally covered in grades 9-12 will be covered in 9 through 11. This will leave the senior year open for advanced work in all fields.

Q. What subjects will be covered?

A. In grades 5 through 7, the regular elementary program will be continued with some acceleration in all regular subjects such as Language Arts, Social Studies, Mathematics, and Science. In the 8th grade, regular freshman Algebra and General Science will be covered. At the high school level it will be possible for a student to take two years of Biology, two years of Chemistry, two years of Physics, and a year of Earth Science; Algebra I and II, Plane and Solid Geometry, Trigonometry, Analytical Geometry, and Introductory Calculus; Four years of regular high school English plus a fifth year of advanced Freshman College level work; Four years of French plus at least two years of Latin or Spanish; and special classes in the Fine Arts field to supplement the Social Studies program.

Q. Will all students take the same subjects?

A. For the first year or two. After that scheduling will permit pupils not in the special program to elect certain accelerated classes if they show promise in that area. Ultimately, pupils will be allowed to elect accelerated classes in their strongest fields and the regular classes in others. A girl might, for example, elect all the foreign language courses, accelerated English classes and accelerated social studies classes and yet take the regular four-year sequence of mathematics and science. On the other hand, a boy interested in certain phases of engineering, might elect all of the accelerated math and science courses and take only the regular English program and two years of one foreign language.

Q. How will the pupils be selected?

A. By a screening process which includes five areas: past academic records, achievement test results, intelligence test results, teacher recommendations, and over-all school adjustment.

Q. Do the pupils have any choice in the matter?

A. Yes. The program is on a voluntary basis. Parents must sign permission slips before pupils are registered for the program.

Q. How many pupils will be in the program?

A. Approximately 20% of the class at each grade level. About 20 pupils have been selected for next September's classes in grades 5, 6, 7, and 8. The freshman class contains 11 or 12 out of approximately 65 entering pupils.

Q. Is this a program for the gifted such as we read about in other areas?

A. Only about 1% of the total population is truly gifted in the sense that they are near genius in native intelligence (IQ of 150 and over). It is doubtful if there are more than 8 or 10 truly gifted children in the entire school system. The pupils in this program are definitely superior in terms of native intelligence and academic record, however, all of them are capable of doing college work successfully.

Q. When will the program start?

A. In September, 1958, for grades 5 through 9. Grades 10 and 11 will have accelerated classes in Mathematics and English. It will take three years to organize a complete program from grades 5-12.

Q. Could a pupil join one of these special classes after they have started in September.

A. Any pupil who seems to possess the necessary aptitude and ambition for the program will be admitted at any level provided he can make up any work missed. A pupils might be admitted at the 6th grade level, for instance, even though he had missed the special 5th grade class.

Q. How about the pupils transferring into the 2nd or 3rd year of high school?

A. It is very doubtful if they could be placed in the special classes unless they came from accelerated classes in another high school. They would have too much work to make up

Q. Will this program require homework?

A. Definitely. At all levels beginning with grade 5. Homework assignments will be built up over the eight years to the point where 20 to 25 clock hours of homework may be required per week at the senior high school level.

Q. Won't this be quite a shock to some pupils?

A. Not for the serious academic student. They always have spent a lot of time reading and studying whether it was required or not. It will mean a certain amount of self-discipline and budgeting of time. This is one reason why we want parental permissions before a pupils starts the program.

Q. It won't leave much time for other activities will it?

A. No. Pupils in this program will not be able to hold a part-time job for 3 or 4 hours a day if that is what you mean. They should be able to participate in sports, music, or other outside activities, however, just the same as college students do.

Q. How about the pupils who do not qualify for this program but who want to prepare themselves for college?

A. The regular four-year college preparatory program will be continued and strengthened. It is still open to all who elect it as freshmen. All subjects necessary for admission to college will be included.

Q. Who will be in the regular college program if you screen out the academically talented?

A. Approximately 50% of our students have been electing the college program. Next year's freshman class of 65 will probably contain at least 35 who will elect the college program. Eleven (11) of these have been screened for the special classes leaving 20 to 25 for the regular college program.

Q. Is this an expensive project?

A. No. A special program for the academic pupils costs far less than special programs for vocational groups or mentally retarded pupils.

Q. Why is this?

A. Because no special equipment or facilities are needed. Textbooks and a blackboard are the most important tools needed with these pupils. The only extra expense is the salaries of the teachers.

Q. How many teachers will be involved?

A. One extra teacher at the high school level next year. Three extra teachers in the high school when the full program is underway.

Q. When will the parents be notified?

A. They have already been notified by letter if their youngster has been selected for the special classes.

Q. Where can I get more information about the program?

A. From Dr. Coggin, Miss Tobin, Mr. Perkins, Mr. Congdon, or Mr. Cobb.

Test Paper Clothing At Devens

For more than a week a dozen soldiers at Fort Devens have been wearing paper clothing, trying it out for Natick Research and Development Laboratories.

Made of strong, soft textured light green corrugated paper, the garments consist of a coat, stitched, with buttons and button holes. Trousers are pajama type, with draw-string waist. Tailoring for length is a simple matter, a pair of shears does the trick.

The new-type fatigues are designed to be worn over other clothing to protect it from dirt and wear.

Says Sfc. William Regan of 2131 Lakeview Ave., Lowell, Training NCO of the 233nd Engineers, 2nd Infantry Brigade: "They're hot, but they do save a lot of dirt and wear on regular clothes. So far we haven't found any major structural defects - - they seem to be well designed and well made. They are not liquid or oil proof, which is something that would be desirable, of course. Then they'd really have something for men doing heavy work."

The testing group includes mechanics, heavy equipment operators, duty soldiers, cooks, toolkeepers, truck drivers and firemen. At the end of each day, the "paper boys" hold a bull session, to discuss possible alterations or improvements, and to inspect the results of the day's wear. Results of the tests will be studied by the Natick Laboratories.

LORAINE KITCHENER JONES REPORTS FROM EUROPE

Dear Mom and Dad,

This is the only way I can say Hello to everyone in Wilmington if you will put it in the paper for me. I will start with Logan Airport. I saw you both from the plane. I'm sure you could not see me wave because, hard as I try, I have yet to see some one distinctly inside a plane.

My trip was wonderful all the way over and so were my fellow passengers. Next to me sat Billy Clegg, a 70 year old man from Roxbury. His first flight and did he ever enjoy it. Next to him sat a young German-American girl named Anneliese McCarville and her 18-month old son, Kevin (Butch). To my left sat Ann and Bill Royce and you remember meeting Dr. Anderson and his mother at the airport. Bill Clegg has crossed the ocean five times by ship and he found he had to move around a great deal for circulation. Well, we are off and our first stop was made in Gander, Newfoundland, then on to Shanon, Ireland.

That was the shortest span of darkness I have ever witnessed. The sun rose about 12:20 am by my watch, 4:20 am Shanon time. We left Bill Clegg in Shanon, then on to London. We had an hour and a half stop in London where we said goodby to Anneliese and "Butch" along with the Anderson's. Here we enjoyed a good hot breakfast, including a hot cup of tea English style. Now I know why tea sets have two pots instead of one. One is for the tea which is very strong and must be diluted with hot water supplied from the other pot. Back to the air and on to Brussels, Belgium.

After waiting 20 or 25 minutes for a special plane to take off we were told that it was supposed to be that of Prince Phillip. While landing at Brussels we had a birdseye view of the Royal Carpet, literally, being rolled out for the prince to step upon.

From Brussels, we proceeded to Frankfurt, Germany, in the company of a Mrs. Beck and her son, Carl. Here I had to wait for my flight 58 to Stuttgart, which the Beck's were taking also. The Royce's were dashed away from us here in Frankfort and Mrs. Beck was my last connection with the English speaking world and to the dismay of her son and I, she was too excited to be of any help to us.

They were hoping that Jimmy would not be there to meet me so that they could take me home to Ludwigsburg with them. However, he was there and after much hugging and kissing, with introductions, part in English and part in German, with promises to write (which I have done) we left the Airport for our present abode, 6 Ulmenstrasse, Sindelfingen, Germany.

The countryside and landscape is breath-takingly beautiful; the people wonderful once they shake your hand the food is out of this world.

July 27

Dear Folks,

Here I am back again. I have met a couple from North Carolina by the name of Carol and Bob Robinson that live across the strasse (street) and today I have met two girls from Brooklyn and one from Ohio. While here, we became like their own children to our host and hostess. They fret, worry over, scold and pamper us. My landlady works from Mon. to Fri. with her eldest daughter, Hilga, as a typist. "Ute," the younger, remains at home. she is very bashful and afraid of her English. Mr. Weitbrect works 12 hours a day as an electrician in the Mercedes plant.

Their home is lovely, shining clean and somewhat modern. Everyone is doing their utmost to talk me into staying. In fact, at times I feel almost obligated to stay. As Fred Gunderson said, "you feel like an ambassador of Good Will." Especially when you go riding in the country, they exhaust you waving to them. It was in Ling Hoffman's '58 Volkswagon convertible that we rode to Fryburg and Baden-Baden (Germany's naughty-filthy rich gambling city).

I feel as though I have stepped real-life into one of Grimm's fairy tales. Sunday we drove to see the castle of Leichinstein in Bob's and Carol's "Opal" since most of our running around had been done in our Mercedes.

Those Germans work hard but they play equally as hard. They certainly know how to enjoy themselves. The cafes, restaurants or gasthauses as they are more frequently called, would put American places to shame.

The lovely way a cup of tea is served you is gratifying. Not one place is without atmosphere or personality. No cover charge, no minimum. You can go into the finest cocktail lounge or the dimmest lit cave, (and caves they are). One in particular was a bomb shelter during the war, another represents a bear cave (stuffed bear and all). You can order nothing more than a cup of tea if you so choose and not a word is said not an eyelash blinked. Imagine such informality in the States.

Carl Beck just phoned to say that he, his mother and his uncle are coming to visit us tonight. Goodness knows what I shall serve them or serve it in. We have to pool our dishes for such occasions so here I go to see Bobby's supply.

Aug. 4

Hi! Everybody,

Here we are in Paris, Gay Paris. It is wonderful. What a view from the top of the Eiffel Tower and brother mine, here is your Moulin Rouge. What a place!!

Note the movie playing here, "Le Pont De La Riviere Kwai." It will be cards from now on until we get back to Germany. We are off to Belgium.

Aug. 11

Well folks,

Hello from Amsterdam, Holland. Arrived here from Rotterdam. Spent two days and nights in Brussels. The Worlds Fair is beautiful. The cards will tell you better than I can. It is beyond words.

Amsterdam is lovely. We both are impressed with Holland more than Paris or Brussels. The people are wonderful and the food is delicious.

Albert, you had better like the stamps we have for you, we had to fight crowds of stamp collectors to get them for you. Don't know where we are going from here. Possibly Denmark or Vienna. Until you hear from us again,

Love to all,
Loraine and Jimmie

Regular Meeting At Hebrew Community Center

A BRIGHT NEW LOOK

When the voters of the 5th Congressional District of Mass., go to the polls this year they will have the opportunity for the first time in a generation, of marking their ballot for a qualified candidate of the younger element who is tailor-made in the pattern of the day to give Middlesex County a bright new look in the lexicon of government.

William H. Sullivan, Lowell attorney who is associated in the active practice of law with Frank J. Garvey, of Chelmsford, one of the best in the business, is the Democratic torch bearer in this major attempt to rejuvenate the 5th District's representation on Capitol Hill. Unlike many of his predecessors in token contests with the venerable incumbent in office, Attorney Sullivan is not offering himself as a sacrificial lamb merely to be counted out eventually as an also-ran. He is serious and sincere in his resolution to supplant antiquity with a modern streamlined version of Congressional action for the district in which he lives — action that will provide a much-needed shot in the arm to bolster the economy and general well-being of the whole population.

The Sullivan-for-Congress boom has been gathering momentum ever since the announcement was made that Bill was in the fight to a finish. At the age of 29, his friends feel that this could be the beginning of a fruitful career—for him and for his constituents. They recall that John F. Kennedy was elected to congress before he was 30 and that he was almost nominated for the vice-presidence of the United States before he was 35. As further precedents of youthful political successes, they cite the meteoric careers of the late Paul A. Dever, the late Maurice Tobin and even Governor Furcolo himself, one of the youngest and busiest governors in the entire nation.

And so, youth is no barrier, in the opinion of the Sullivan supporters. In fact, in this new generation, they look upon it as a blessing and a boost.

Anthony De Luca Appointed

Anthony DeLuca of Federal St. was appointed Supervising Principal in the elementary schools at the Aug. 20 meeting of the school committee.

Mr. DeLuca, who started teaching in Wilmington schools in 1950, has been a commercial teacher and driver education instructor. He also has been serving as director of the adult evening school.

A native of North Woburn, Mr. DeLuca graduated from Salem Teachers College and received his Masters degree at Boston University.

He is also treasurer of the local Lions Club.

Wildwood Parents Club Membership Drive Begins

The Wildwood Parents Club released the following newsletter this week:

Our membership campaign is now under way. An excellent response was received last year and we are looking forward to an even a greater welcoming this year.

The membership committee was headed by Mrs. Peter Cherneaga who now relinquished her position to Mrs. Frank Goddard of Wing Rd.

Anyone who has not been contacted by the membership committee may call Mrs. Barbara Goddard for tickets; call OL 8-2852 for further information.

Purchase of your membership ticket includes admission to welcoming supper.

A cordial welcome is extended to 1st grade parents and new residents to join this club and become acquainted . . . its a pleasure to have you with us.

The first meeting will be held on Sept. 22, at the Wildwood School.

CARD OF THANKS

The family of the late Deborah A. DeFelice wishes to thank their friends and neighbors for the many kind expressions of sympathy extended them during their recent bereavement.
